WANTED VOLUNTEER SAILING INSTRUCTORS

The Basic Sail Training Program course of instruction is based on a local Naval Station Newport, Morale Welfare & Recreation Department, Keelboat Qualification. No special qualifications or memberships (i.e. US Sailing Association or US Naval Sailing Association) are required of volunteer instructors.

The pay isn't good (because there is none) but the personal satisfaction is tremendous. MWR does provide 'Sail Training Credits' ... you'll receive credit for every 2 hours of training. You can use these credits (up to 50% of your rental fee) when you check out a recreational boat for your personal sailing pleasure.

Ask about additional CHNYC Incentives.

It's fun and it's easy ... very easy. Stop by the Marina Office to inquire about the program or contact one of the Rear Commodores for detailed information about becoming a volunteer instructor

MESSAGE FROM OUR COMMODORE

Welcome to the Naval Station Newport Sailing Center and Marina, home of Coasters Harbor Navy Yacht Club (CHNYC). We hope you will enjoy your stay whether as a guest or a member. Our membership is very diverse, comprised of a mixture of active and retired military personnel (all branches) and defense department civilians.

If you are new to the area, there are several great reasons for joining CHNYC

- Seasonal social and other activities
- Club advocacy for marina patrons through the Commanding Officer's Marina Advisory Group (MAG)
- Reciprocal privileges at most local Yacht Clubs
- Very reasonable membership fees
- Club 'Guest' moorings
- Opportunities to participate in regional sailing and other competitive events
- An active one-design sail racing program
- The area's premier sail training program
- Club affiliations with the U.S. Naval Sailing Association; the Narragansett Bay Yachting Association; Boat/US; US Sailing; Rhodes 19 Fleet 35A; and Shields Fleet 9
- A diverse and friendly membership

We look forward to seeing you at our next social function and/or on the waterfront.
